About Us

57+ Years of Consistent and Excellent Experience.

Arco Electromechanical LLC is one of the companies within the Arabian Group Holding (AGH), which was established more than 57+ years ago in 1967. The company offers a comprehensive range of MEP services, covering all aspects of HVAC (Heating, Ventilation, and Air Conditioning), Electrical (High Voltage & Low Voltage), IT, ELV, Plumbing (Water Supply, Drainage, Storm Water), and Fire Life Safety Systems (Fire Fighting, Fire Alarm & Voice Evacuation, Emergency Lighting). It adheres to all international standards for design, fabrication, installation, testing and commissioning, safety, and QA/QC.

Arco Electromechanical LLC currently employs over 1000 dedicated professionals, supported and managed by a cadre of highly experienced directors, managers, qualified engineers (ADQCC/PMP approved), experienced CAD design engineers and operators, professional staff, and highly skilled supervisors, technicians, and labourers.

The primary principle of Arco Electromechanical LLC is to provide high-quality MEP solutions and meet client requirements in accordance with the latest international industry standards, such as ISO for Occupational Health and Safety (OHSAS: 45001:2018), Quality (ISO: 9001:2008), and Environmental (ISO: 14001:2004) Management Systems. Moreover, the company executes all works under local authorities such as ADDC, ADCE, ADCD, etc. As a result, the company is ADDC certified under Category B.

Arco Electromechanical LLC is committed to establishing long-term relationships with clients, consultants, and main contractors.

With a robust financial capability, Arco Electromechanical LLC enjoys full financial support from our banks to successfully execute our projects.
